

ENGAGING PARENTS IN CEIAG

Quality Standards
for Young People's
Information, Advice
and Guidance (IAG)

A sharing of ideas

Standard 7: Parents and carers know how information, advice and guidance services can help their children and know how these services are accessed

Involving parents/carers more in
CEIAG is a challenge
because.....

..many of our parents/carers need a lot of personal support themselves.

..not all parents access the internet.

..it's difficult to explain a complex 14-19 scene in a way parents/carers will understand.

..some parents influence their children's decisions too much !

..not all parents understand the IAG offer.

..staff don't have time to do anything more.

..there is a lack
of interest from
parents/carers

..events are at
the wrong time
for some
parents/carers.

..many
parents/carers
find it too
intimidating to
come back to
school.

..parents just don't have
time to spare.
